

# Technical Architect - Cloud (VMware)

MTech-IT / MBA-IT / MCA / BSc / PGDCA

VCIX6-DCV / VCAP5-DCD / VCAP5-DCA / VCAP6-DCA / DCUCI / DCUCD / VCP 3, 4, 5 / VCP-Cloud / TOGAF 9 / EXIN-CLOUD / ITIL / CEH / SCSA / MCSE / RHCE / NSX (trained)

Uma Sankar focuses on complex cloud solutioning for most heterogeneous environments. VMware vRealize, vSphere, SDDC, VVD solutioning, Cisco UCS, AWS cloud and combines this with a very strong knowledge of datacentre transformation activities.

### Knowledge Bank:

- \* Major Private Cloud Solutioning
- \* VMware SDDC Solutioning
- \* VMware VVD Solutioning
- \* VMware vSphere Solutioning
- \* vRealize Suite Implementation
- \* vSphere, NSX Implementation
- \* vRealize migration / upgradation
- \* Cisco UCS design & implement
- \* Data-Centre transformation

### Key Product Expertise:

- \* VMware vRealize Automation
- \* vRealize Orchestrator
- \* vRealize Operations
- \* VMware vSphere
- \* VMware vCloud
- \* VMware NSX
- \* VMware VVD
- \* VMware SDDC
- \* Cisco UCS

### Credentials:

- \* More than 15 years of overall IT experience and more than 11 years of relevant experience in VMware platform(s)
- \* **VMware Certified Implementation Expert on Data Centre (VCIX6):** This special designation validates the expert level skills in designing and deploying VMware V6 infrastructure solutions in multi-site, large enterprise environments.
- \* **VMware Certified Advanced Professional Data Centre Design and Administration (VCAP-DCD 5, DCA 5 & 6):** These are VMware's much advanced level of technical qualification, shows proven skills in understanding customer complex requirements, providing elegant technical solutions and implementing the same for tacit requirements.
- \* **VMware Certified Professional (VCP-DCV):** As a VCP3 VCP4 and VCP5, it certify me to successfully install, manage and deploy VMware vSphere 4/5/6 environments.
- \* **VMware Technical Sales Professional (VTSP & VSP):** This presales focused curriculum to help technical personnel discuss technical requirements and best practices with clients.
- \* **VMware Certified Professional Cloud (VCP-iaaS):** Validates the ability to install, configure, manage and troubleshoot VMware vRealize Suite and vCloud Suite based most secure private clouds.
- \* **Cisco Data Centre Unified Computing Implementation and Design (DCUCI / DCUCD):** Proven skills in performing in-depth design, deploy, support, administration and performance management for Cisco UCS farm.
- \* **TOGAF:** Proven skills in a framework for enterprise architecture that provides an approach for designing, planning, implementing, and governing an enterprise information technology architecture.

### Clients:

- \* **In-depth experience of working with organizations in the following sectors:** Trading, Finance, Insurance, Construction, e-commerce, Telecom, Medicine, Energy etc.
- \* **Additional experience in:** Media, Retail, IT Security, Hardware, R&D
- \* **Principal Clients:** Consumers Energy, Singapore Exchange, GE Money, GE GIS, Capital Land, Neelson Mobiles, Telephia, Verseon, General Motors, Pentaloon, NSE India, Rolta, MNIT, Edgeverve etc.
